

ABOUT THE JOURNAL OF M.AUEZOV
SOUTH KAZAKHSTAN RESEARCH UNIVERSITY
REPUBLICAN SCIENTIFIC JOURNAL «QAZAQTANY»
<https://qazaqtany.auezov.edu.kz>

The scientific journal «QAZAQTANY» was registered with the Information Committee of the Ministry of Information and Communications on January 15, 2019 in accordance with the order «On registration, re-registration of a periodical, news agency and online publication» and issued certificate No. 17493. Mukhtar Aueyev South Kazakhstan Research University, in accordance with the above certificate, issued an order on the editorial board of the scientific publication No. 39-nk on January 30, 2019. Received ISSN 2708-0897 for the scientific journal. On the basis of Agreement No. 260 dated July 05, 2019, it was entered into the database of the Russian Scientific Citation Index of the RSCI, after checking JSC NCGNTE for compliance with the requirements, from October 2022, dated 20.01.2023. No.3/23 an agreement on mutual cooperation and introduction to the Kazakhstan citation database of the KBC-KINC has been concluded, from October 22, 2022, at the request of the National Library of the Republic of Kazakhstan for the formation of the national fund of books and publications at the republican level, the magazine «QAZAQTANY» is sent to the fund of the National Library of the Republic of Kazakhstan, from 05/19/2023 it was introduced to the electronic resource of the platform of the Company LLC «AiPiArSmart», on the basis of contract No. 3393/23, an advanced search for journal articles is performed (by keywords, author, title, section) where each published edition is entered. Actively contributes to the work of the APK of Kazakhstan.

For the distribution of publications to republican institutions, the republican scientific journal «QAZAQTANY» has been entered into the catalog of newspapers and magazines of the Kazpost Exciner Society with the index 76112. In addition, it acts in pursuance of the strategic plan of the M.Aueyev SKRU for 2026-2028 and the program article of the head of state K.K.Tokayev «Independence above all» dated 5.01.2021, which became a purposeful document for a qualitative and in-depth approach and development of scientific, historical, cultural, social-economic and political, pedagogical, creative and philological directions in higher education of the republic through scientific publications in this direction.

In accordance with the order of the Committee for Quality Assurance in the Field of Science and Higher Education of the Ministry of Science and Higher Education of the Republic of Kazakhstan dated April 21, 2026 No. 300, from July 2026, 3 lists of scientific publications recommended for publishing the main results of scientific work, the directions «History of Kazakhstan», «General History», «Local Studies» were introduced into the list.

The purpose of the journal: The scientific journal was established in order to support scientific research and publication activity of research institutes and research centers, teaching staff, undergraduates and PhD doctoral students in the field of humanities, to expand interaction and introduce the results of joint humanitarian scientific research of scientists from universities of Kazakhstan and abroad into production, to contribute to the formation of historical and cultural consciousness, spreading new ideas.

Thematic sections of the journal:

Humanities: History of Kazakhstan; General history; Local history – archeology and ethnology; cultural studies and anthropology, religious studies, sacred geography, toponymy, topography, heraldry, art studies; Philosophy; Jurisprudence; Economics; Sociology; Ethnopolitical and ethnocultural processes of modern Kazakhstan.

Pedagogical sciences: Pedagogy and teaching methods; psychology and inclusive education.

Philological sciences: Turkology; linguistics and literature; language learning in the cognitive aspect – the basis of intercultural communication.

The conclusion on the possibility of publishing an article in the journal is made on the basis of the conclusion of the editorial board of the journal. The Republican scientific journal «QAZAQTANY» is published 4 times a year, every quarter: at the end of March, June, September, December.

working languages: kazakh, russian, English

The requirement for the design of the article

1. The text of the article is provided on paper and in electronic form. The text should be typed in a Microsoft Word text editor, Times New Roman font, font size of the main text - 12 p.t., figures, diagrams – 11 p.t., line spacing – single, indentation at the beginning of the paragraph - 1.0, width alignment.
2. Page parameters: A4 format, margins: left - 2 cm, right - 2 cm, top - 2 cm, bottom - 2 cm.
3. The total volume of the article, including tables, illustrations and references – from 3 to 10 pages.
4. The title of the article should be brief and reflect its content.
5. For an article in Kazakh, tuyin and kilt sozder, for an article in Russian, an abstract and keywords are required, for an article in English, abstract and keywords are required. The content of the annotation, tuyin and abstract should be identical. The number of words is 100-150.
6. Information about the author(s) should include: Full name, academic degree, academic title, name of institution, city, country.

Structure of the article

1. **MRNTI – in the upper left corner (12 p.m.).**
2. **Full name of the author(s) (12 p.m.). <https://orcid.org/>**
3. **position, academic degree and academic title, name of the organization, city, country (12 p.m.).**
4. **Title of the article - in the language of the article, Caps Lock 12 p.t.**
5. **Abstract - in three languages (Russian, Kazakh, English), 12 p.t.**

The abstract (author's summary) is a short summary of the scientific work. According to the annotation, the reader should understand the essence of the study. The results of the work are described extremely accurately and informatively. The text should not contain secondary information, unnecessary introductory words, general and insignificant formulations, abbreviations, references to literature. The abstract is drawn up in one paragraph. A well-designed and translated abstract increases the interest in the article, as well as the likelihood of the article being cited by foreign colleagues.

6. Keywords - up to 10 words, 12 p.t.

7. **The text part of the article (12 p.t.).** The article should be structured using headings, for example: **Introduction (required), Theoretical analysis, Research methods, Experimental part, Results and their discussion, Conclusions (required), Designations,**

8. List of references. Introduction (required), Theoretical analysis, Research methods, Experimental part, Results and their discussion, Conclusions (required). References list – transliteration in English. The headings are numbered. Tables and figures should be placed after the mention. Each table should have a name. The drawings should be clear, not scanned. Sample caption: Fig. 1. Dependence ..: a – ...; b – ..., footnotes [1, 58], that is, the 1st footnote, 58 p.

9. All abbreviations and abbreviations, with the exception of known ones, should be deciphered at the first mention in the text.

10. The list of references should include only those works that are cited in the text and that have been published or accepted for publication. Literary sources should be numbered in the order they are mentioned in the text. Self-citation should not exceed 20-30% of the total list. Literary sources no more than 10-15 years old should make up at least 70% of the list. Transliteration of Russian-language sources on the website <http://translit.ru> the program transliterates Russian text into Latin. To do this, you need to register using the link <http://translit.ru/register/> and after logging into the program using the code, in the drop-down list "options ..." select the option of the US Department of State (BSI) system, the phrase "Russian BSI transliteration is enabled" should appear. After that, you need to insert the entire text of the bibliography in Russian into a special field and click the "transliterate" button. It is indicated that the source is published in Russian: (In Russian). If there is an English translation of the abstract, this is also indicated: (In Russian abstract in English). Transliteration of Kazakh sources into Latin letters g, a, i, k, u, u, o, a, h and in general words and text on the site <https://intellect.icu/tools/translit-kazach-online>

Russian Russian and English for an article published in Kazakh; Kazakh and English for an article published in Russian; Kazakh and Russian for an article published in English). 11. Abstract (in Russian and English for an article published in English).

12. Information about the author responsible for correspondence: Full name, phone number, e-mail.

The editorial board of the journal subjects all articles submitted for publication to an anti-plagiarism check on the basis of <https://ukgu.kz.antiplagiat.com>, the uniqueness of the text should be 75-100%.
